

**HALOGEN LAMP WARNING!**

This fixture is fitted with halogen lamps which are highly susceptible to damage if improperly handled. Never touch lamp with bare fingers as the oil from your hands will shorten lamp life. Also, never move fixture until lamp has had ample time to cool. Remember, lamps are not covered under warranty conditions.

**Caution!** Always disconnect from main power before replacing lamps or servicing unit. Remember to always replace with same lamps and fuses.

Thank you for purchasing this *American DJ*™ product. For your convenience this lighting effect has been lamped and is ready to be used, there is no assembly required. Please read the following instructions before installing or using your new unit.

**Operating Instructions:**

Unit is ready to be hung or set on the ground. After plugging in unit, the lights will react to the music via the sound active internal microphone. The Mystic™ features dual lamps with specially designed reflector that rotate to the music. It produces 30 bright criss-cross multi-color flower image beams, much like the Cyclone 2™.

**To replace lamp;** unscrew 2 screws on the head of the unit, pull off casing, replace bulb and reassemble. Do not forget to unplug unit before replacing bulb!
